

WEDDING INFORMATION

Wedding Timeframes

Our **Daytime Wedding** hours are from 9:00am – 4:00pm, allowing you exclusive use of our entire mansion and beautifully landscaped grounds. The earlier hours during this timeframe are typically for cake and flower delivery, ceremony and reception set-up, etc. If you wish to have your ceremony here, they generally begin at approximately 11:00am, followed by cocktail reception & bridal photos, meal service, cake cutting, and dancing. All activities are to be concluded by 3:45pm, with guest departure by 4:00pm. The current food & beverage minimum to be met for an exclusive daytime wedding is \$3000.00, plus service charge and tax.

Evening Wedding hours are from 5:30pm-12:00am. Should your wedding reception consist of 75 guests or less and be a dinner-only event (no dancing), we can easily accommodate you and your guests in our Cheyenne and Pikes Peak rooms on the upper level of the restaurant. Acoustic live music or a small duo is allowed, as long as approval is given by our management in advance of booking.

PM Buy-Out: If you have a larger wedding party and wish to utilize our DJ service or book a live band for dancing, you may “buy out” the restaurant, allowing you exclusive use of the entire restaurant and grounds, and we would close to our regular restaurant patrons. Food and beverage minimums for evening weddings vary, depending upon the time of year and day of the week – we will gladly provide a quote for the date(s) you are considering.

Wedding Ceremony

Our beautiful outdoor ceremony site, with gorgeous views of Pikes Peak and the surrounding Rocky Mountain foothills, can accommodate up to 125 seated guests. Our Wedding Package includes assistance with your rehearsal, as well as personal wedding coordination on your wedding day. Also included is set up of our beautiful white ceremony chairs, set up to your specification, and removal after the ceremony concludes. You are free to decorate our ceremony arch and trellis any way you desire, provided no nails or permanent adhesives are used.

Music for your ceremony, provided by our in-house professional DJ, is included as part of our Wedding Package.

Please note that you may use bubbles at the conclusion of your ceremony, but rice or bird seed is not allowed for safety reasons.

Plated Meal Service: Our plated wedding dinners range in price from \$30-\$44 per person, and you may choose up to three entrees. When multiple entrees are served, we ask that you provide a guaranteed count for each entrée ordered at least 7 days in advance. In addition, to provide the best possible service for your guests, we request that place cards be made for each guest distinguishing their entrée choice. Groups of 20 guests or less may order directly from the restaurant menu (evening events only).

Buffet Service: Our Wedding Buffet prices range between \$34-\$38 per person. When this option is selected (daytime weddings or evening buyouts, minimum 50 guests), either two or three entrees can be selected from our menu to offer on your buffet, along with a wide array of delicious salads and side dishes. Please note that we are very flexible with regard to our buffet offerings – should you desire a particular entrée, side or salad that is not on our menu, please let us know and we will gladly design a buffet for you. Our buffet will be set in such a way that it can be accessed from both sides, and your guests will be invited to the buffet table by table.

Bar Service:

Complete bar service is available, and bartenders are included as part of our Wedding Package. Drinks may be hosted or purchased on a cash basis (or a combination of both). If the hosted option is chosen, you may choose to host beverages throughout your event, for a pre-determined amount time, or you may host drinks up to a specified dollar limit. Drink tickets can also be used if desired. You are free to create your own bar set-up, with specific cocktails (i.e. house brands, etc), beers or wines chosen to offer your guests.

Beer prices range from \$3.50-\$5.50, house cocktails are \$5.50, and wines range in price from \$6.00-\$15.00 per glass. We also have an award-winning wine list if you would like to offer bottled wine service with your dinner.

Champagne Toast: A Champagne and Sparkling Cider Toast is included in our Wedding Package.

As it is such an important personal decision, you may choose any bakery you desire for your Wedding Cake. Professional cake cutting service is part of our Wedding Package, which includes our assistance with the cake cutting ceremony, as well as disassembling the wedding cake, saving the cake top (if desired), cutting, plating and serving cake to your guests, and boxing any remaining cake. We will provide the cake knife and server for you if you desire, as well as plates, forks and cake napkins. Coffee service is also included.

Our tables, chairs, glassware, china and flatware are included at no additional charge.
